

Dr. H. C. Wrinch Chosen Skeena Liberal Candidate

Dr. H. C. Wrinch, medical superintendent of the Hazelton Hospital, was unanimously tendered the Liberal nomination for Skeena on Thursday night, and he accepted it.

The Liberal convention on Thursday was by far the largest and most representative political convention ever held in the Interior. Delegates were present from practically every polling division. Smithers sent down fourteen in cars, two from Telkwa, Terrace sent a dozen, while Cedarvale, Woodcock, Skeena Crossing, Usk, Moricetown, Glentanna had delegates there, besides the delegates from the immediate vicinity.

It was known before the convention was called to order that the party was divided and that neither of the prospective candidates could be satisfactory to the whole district. The entire afternoon was spent in a deadlock.

Acting president W. W. Anderson took the chair and got things started. The Skeena district Liberal Association was organized with the following officers:

Hon. President—Hon. Mackenzie King.

Hon. Vice-President—Hon. John Oliver.

President—J. Mason Adams, Smithers.

1st Vice-President—Pete Carrigan, Hazelton.

2nd Vice-President—H. Halliwell, Terrace.

Secretary-Treasurer—Alex. A. Connon, Hazelton.

The executive committee will be composed of the above officers and the presidents of each local Liberal Association.

Nominations for a standard-bearer were then called for, and as a result of an attempt to compromise, Hon. A. M. Manson was invited to run in Skeena. The Attorney-General, however, stated that he had already committed himself to Omineca and would therefore urge the Skeena Liberals to select a man from their own riding.

E. T. Kenney, of Terrace, and Olof Hanson, of Smithers, both had strong followings, and they were both prepared to accept the nomination if tendered them, but their names were not submitted and there was no vote taken. Frank Foster, of Smithers, was offered the nomination, but he refused it. It was then decided that a committee composed of J. M. Adams, W. W. Anderson, A. A. Connon, Olof Hanson, E. T. Kenney and Hon. A. M. Manson wait on Dr. Wrinch and offer him the unanimous support of the convention if he would consider being the standard-bearer.

The convention adjourned for

several hours, and re-assembled after the Attorney-General had addressed a public meeting.

Dr. Wrinch stated that he had never belonged to a political party

DR. H. C. WRINCH

Unanimously selected standard-bearer by the Liberal party of Skeena riding. Dr. Wrinch is probably as well known as anyone in the riding. There are none more highly respected. He has been in the district twenty-five years and has always been in the forefront of all movements for the public good. He established and has been the executive head of the Hazelton Hospital, and by successfully handling that institution has displayed a great executive ability. With Dr. Wrinch representing Skeena in the legislature, the people will be assured that the district will not be neglected

and if he was to represent Skeena in the legislature he would do so as a Liberal, but would not consent to being a machine voter. He reserved the right to use his own judgment when occasion arose.

E. T. Kenney moved that Dr. Wrinch be unanimously accepted as standard bearer, and Henry Bretzins seconded the motion.

Olof Hanson heartily endorsed Dr. Wrinch and called upon his supporters to get behind the doctor. In due course and towards midnight the motion was unanimously adopted.

J. Mason Adams and J. C. K. Sealy were both invited to be the Liberal candidate, but neither would consider it. They heartily endorsed the choice made, and the Liberal party of Skeena is expected to get behind Dr. Wrinch and work harmoniously until after he has been elected.

A. M. Manson Addressed Old Constituents

Hon. A. M. Manson addressed a public meeting in the Hazelton Assembly Hall Thursday evening, his last appearance in this district as representative, although by no means withdrawing his interest and support. The Attorney-General expressed his appreciation of the loyalty of the people of the old riding of Omineca to himself since he became member in 1916.

He referred very feelingly to the tragic death of T. T. Dunlop, assistant district engineer, and expressed the warmest sympathy with Mrs. Dunlop and family.

Mr. Manson then spoke for

Court of Revision

A court of revision for Skeena electoral district will be held in Larkworthy's store, New Hazelton, from 2 o'clock to 5 o'clock on May 23. A session will be held in Hazelton from 9 a.m. until noon the same day. This will permit everyone in this section to get on the voters' list.

New Hazelton Will Celebrate 24th As Usual

An enthusiastic turnout of the townspeople on Wednesday evening filled the schoolhouse for the purpose of arranging for New Hazelton's annual Empire Day celebration on Saturday, May 24.

Committees were appointed and are now working to make the affair better and more successful than ever. A comprehensive program of sports is now being drawn up, and will include races, jumping and novelty events, and a football game. The ladies will have their usual booth well equipped to supply the wants of all in the way of refreshments, and the dance committee will do all in its power to ensure the enjoyment of all at night.

The celebration will take place this year on the spacious ball park, and the grounds committee is at work in that connection.

A canvass for funds at the meeting met hearty and generous response from all present, and with everyone displaying a spirit of hearty co-operation the celebration should mark a red letter day in the annals of New Hazelton.

The committees will meet in the schoolhouse on Monday evening to further discuss arrangements.

over an hour, first dealing with the Provincial Party, its formation, history, and the charges it made against the Government. He also dealt with Hon. W. J. Bowser and then took up the new and advanced legislation that

(continued on page 6)

Hospital Day Celebration Was Outstanding Success

The fourth annual observance of Hospital Day was fittingly marked at the Hazelton Hospital last Monday by the distinctive program which is more and more looked for as each year rolls by. Judging by the crowd which visited the institution in the afternoon and which was present at Assembly Hall in the evening, public interest in the hospital is increasing rapidly, a fact which aroused gratified comment from all members of the Hospital's board of management.

In the afternoon the people were made welcome at the Hospital, and were given the opportunity of inspecting all parts of the institution. The weather was perfect, and the refreshments which were served were all the more appreciated. The baby show resulted as follows: Class 1, Robert Little, 1; Elaine Galloway, 2; Class 3, David and Norma Cary. At Assembly Hall, in the evening, was heard one of the finest programs that has ever been given there. The crowd was so large that even standing room was at a premium.

The opening address was made by R. S. Sargent, who voiced the purpose of Hospital Day, and its value in bringing the people into closer relationship with the affairs of the hospitals to the end that the people would appreciate the problems that confront the institutions.

S. H. Hoskins, of Smithers, then presented diplomas to two graduating nurses of the Hazelton Hospital Training School, Miss McCall and Miss Nock, who were also made the recipients of graduation pins at the hands of Mrs. Mrs. A. D. Chappell, President of the Women's Hospital Auxiliary. Beautiful bouquets were then presented to the graduates by Miss S. A. Watkins, Superintendent of the Hazelton Hospital Nurses' Training School.

Mr. Hoskins in a brief address referred to his long association with the Hazelton Hospital, and expressed the hope that that association would continue for many years to come.

The graduation address of Rev. T. D. Proctor was a call to the highest and best in the nurses to the service of suffering humanity under all the trials and experiences to which they would be subject. He spoke of the graduates as not being at the end of things when presented with their diplomas, but only at the beginning. He urged them to study human nature and make that psychological study assist them in their noble work of ministering to the sick.

Dr. H. C. Wrinch concluded the program of speeches with an outline of what he considered

to be the ideal hospital system. That system, he said, could be viewed from three standpoints, viz., adequate accommodation, reasonable accessibility, and a service within financial reach of all. The speaker advocated a larger health department of the government (continued on page 5)

Thos. T. Dunlop Was Drowned Near Smithers

The district received a great shock on Thursday afternoon, when the news was flashed over the wires that T. T. Dunlop, assistant district engineer in the provincial department of public works, had been drowned in the Bulkley River near Smithers. Mr. Dunlop had gone down to the bridge to inspect the piers and see what effect the high water was having. He took his two young children with him and left them on the road to play when he went onto the bridge. He was out on one of the piers. He disappeared. There were no eye-witnesses except the children and they were playing. In due time they looked for their father and not being able to see him, continued to play for a while. They looked a second time for him and when he could not be found they became alarmed and ran home to report to their mother. A searching party was immediately organized and word sent along the river to watch for the body, but the possibility of recovering the body are slim as anyone who knows the Bulkley river in flood time will appreciate.

Mr. Dunlop was about forty-six years of age. He leaves a wife and three young children, a boy and two girls. To them goes the warmest sympathy.

Mr. Dunlop is one of the old-timers of the district, having come in the early construction days as engineer with Foley, Welch & Stewart. He was at one time in business in Smithers with W. S. Henry. He was known all through the north and he was a citizen who will be much missed.

Dockrill to Run

On Wednesday evening F. M. Dockrill, of Telkwa, announced that he would accept the nomination of the Provincial Party for Skeena riding if tendered him on May 20 when the convention is to be held in Smithers.

The Provincial Party is to hold a nominating convention in Smithers on Tuesday, May 20.

The summer time table on the Canadian National goes into effect on May 18 and as per usual the train will leave Rupert in time for tourists to see the swarms of natives and orientals around the salmon canneries. The scenery of the Skeena and the Bulkley will be passed after the last night hawk has gone to bed. The same will apply to the scenery approaching Mount Robson and Jasper. Whoever arranges the time table certainly does not take the tourist into consideration, nor believe in giving them what they seek and pay for. As for the people living along the railway for the first two hundred and fifty or three hundred miles they are not always considered in the matter of convenience. It is safe to say the local traffic over the first three hundred miles would be doubled if a reasonable time table were given.

Burns Lake

Wm. Bickle, of Bickle, was a recent business visitor.

A recent ordinance promulgated by the corporation of the village of Burns Lake, prohibits the running a large of livestock.

Phil. Brunnell, of Decker Lake, has purchased a Ford car through the Burns Lake Garage, and is now a frequent visitor to town.

The Athletic Association, with Dittmer in the lead, is busily employed, and has three men getting the tennis courts into shape, as well as the ball park. The first game was played on Sunday between Burns Lake and Francois Lake.

C. H. Groves, of Francois Lake, is moving his family to Burns Lake, and will occupy one of the Lee houses.

J. C. Keddy was a business visitor from Forestdale.

Mr. and Mrs. V. Schjelderup are welcomed back to Burns have Lake and moved into their newly-built house.

Brown & Robb, contractors for the high school building at Burns Lake, have started work, and expect to have the structure completed in readiness for next term.

Everyone has been busy cleaning up the town, with marked improvement in its appearance.

Mr. Woodcock is now about on crutches after a long period of enforced rest due to a broken leg.

D. McDonald, of Woodcock, was a Terrace visitor on Saturday.

Sidelights on a Great Industry

Annual Payroll \$50,000,000

Lumbermen Pay Huge Proportion of Wages in B.C.

Sum Exceeds Provincial Revenue for
Last Three Years

The payroll of the combined British Columbia timber industries is not less than \$50,000,000 or close to one hundred dollars per capita of the whole population of the province's men, women and children.

This enormous annual amount represents the total revenue for the last three years, that is to say, it costs less to run the province for three years than it does the B. C. lumbering industry for 12 months. This sum also exceeds the total paid up capital of the three principal chartered banks in the Dominion of Canada.

This estimate is not a rough and ready one, but is carefully calculated from the latest statistics made available by the Workmen's Compensation Board, the Department of Labor, Victoria, and the Dominion Bureau of Statistics.

There are over 3,600 firms exclusively engaged in the production, manufacture and handling of B. C. wood products. They may be divided into three classes:

Class 1 (Raw material)—2,653 firms, includes logging operations, pole, post and tie camps, timber cruisers and forest engineers, scalars, inspectors and timber brokers.

Class 2 (Manufacture)—555 firms, includes sawmills, planing, lath and shingle mills, veneer plants, sash and door factories and concerns manufacturing B. C. woods into furniture.

Class 3 (Distribution)—413 firms, includes lumber exporters, wholesalers, lumber dealers, accountants, inspectors and wood-yards.

There is also a fourth class, which might comprise the tug-boat owners solely engaged in boom and raft towing and the firms exclusively manufacturing logging and sawmill equipment. (This class is not included in the present estimate).

Fifty million dollars is a huge sum. It represents at least one-third of the total industrial payroll of the Province of British Columbia and at a conservative estimate proves the means of support for at least a quarter of its total population.

This series of articles communicated by the Timber Industries Council of British Columbia

Suppose He'd Paid Up?

One day, not long since, a fellow was out hunting. During the day a rainstorm came on. In order to keep dry he crawled into a hollow log. When the rain began to fall the log began to swell until he could get neither way. He thought his end had come. He thought of all the wrongs he had done, and when he recalled that he had not sent subscription to his paper this year he felt so small that he crawled right out of the log without difficulty. Does this story fit you?

Timber Sale X6060

Sealed tenders will be received by the Minister of Lands at Victoria not later than noon on the 22nd day of May, 1924, for the purchase of Licence X6060, to cut 2,720,000 feet of Hemlock, Cedar, Spruce and Balsam, and 11,000 lineal feet of Cedar Poles and Piling, on part of Lot 1708, near Amesbury, C.N.R., Range 5, Coast Land District. Four (4) years will be allowed for removal of timber. Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

Timber Sale X5695

Sealed tenders will be received by the Minister of Lands at Victoria, not later than noon on the 22nd day of May, 1924, for the purchase of Licence X5695, to cut 90,000 lineal feet of Cedar Poles and Piling, on part of Lot 7, about 3 1/2 miles N.E. of Remo Station, Range 5, Coast Land District. Two (2) years will be allowed removal of timber. Further particulars of the Chief Forester, Victoria, B.C., or District Forester, Prince Rupert, B.C.

SYNOPSIS OF LAND ACT AMENDMENTS

PRE-EMPTIONS

Vacant, unreserved, surveyed Crown lands may be pre-empted by British subjects over 18 years of age, and by aliens on declaring intention to become British subjects, conditional upon residence, occupation, and improvement for agricultural purposes.

Full information concerning regulations regarding pre-emption is given in Bulletin No. 1, Land Series, "How to Pre-empt Land," copies of which can be obtained free of charge by addressing the Department of Lands, Victoria, B.C., or to any Government Agent.

Records will be granted covering only land suitable for agricultural purposes, and which is not timberland, i.e., carrying over 5,000 board feet per acre west of the Coast Range and 8,000 feet per acre east of that Range.

Applications for pre-emption are to be addressed to the Land Commissioner of the Land Recording Division, in which the land applied for is situated, and are made on printed forms, copies of which can be obtained from the Land Commissioner.

Pre-emption must be occupied for five years and improvements made to value of \$10 per acre, including clearing and cultivating at least five acres, before a Crown Grant can be received.

For more detailed information see the Bulletin "How to Pre-empt Land."

PURCHASE

Applications are received for purchase of vacant and unreserved Crown lands, not being timberland, for agricultural purposes; minimum price of first-class (arable) land is \$5 per acre, and second-class (grazing) land \$2.50 per acre. Further information regarding purchase or lease of Crown lands is given in Bulletin No. 10, Land Series, "Purchase and Lease of Crown Lands."

Mill, factory, or industrial sites on timber land, not exceeding 40 acres, may be purchased or leased, the conditions including payment of stumpage.

HOMESITE LEASES

Unsurveyed areas, not exceeding 20 acres, may be leased as homesites, conditional upon a dwelling being erected in the first year, title being obtainable after residence and improvement conditions are fulfilled and land has been surveyed.

LEASES

For grazing and industrial purposes areas not exceeding 640 acres may be leased by one person or a company.

GRAZING

Under the Grazing Act the Province is divided into grazing districts and the range administered under a Grazing Commissioner. Annual grazing permits are issued based on numbers ranged, priority being given to established owners. Stock-owners may form associations for range management. Free, or partially free, permits are available for settlers, campers and travellers, up to ten head.

LAND ACT

Skeena Land District. District of Coast, Range 5

TAKE notice that I, Frederick M. Hall, of Terrace, B.C., occupation Timber Cruiser, intend to apply for permission to purchase the following described lands:

Commencing at a post planted on the east shore of Kitsumgalum Lake 40 chains northerly from the North-west corner of Lot 6738, Range 5, Coast District; thence East 20 chains to a point 10 chains North of the North-east corner of said Lot 6738, thence South 10 chains, thence West 10 chains more or less to the East shore of Kitsumgalum Lake, thence North-westerly following said shore 25 chains more or less to the point of commencement and containing 30 acres more or less.

NOTICE

Navigable Waters Protection Act
R.S.C. Chapter 115

THE Minister of Public Works, Government of the Province of British Columbia, hereby gives notice that he has, under Section 7 of the above Act, deposited with the Minister of Public Works at Ottawa, and in the office of the District Registrar at Prince Rupert, B.C., a description of the site and plans of a Highway Bridge, proposed to be built over the Skeena River at Terrace, B.C.

And take notice that after the expiration of one month from the date of the first publication of this notice, the Minister of Public Works, Province of British Columbia, will, under Section 7 of the said Act, apply to the Minister of Public Works at his office in the city of Ottawa, for approval of the said site and plans and for leave to construct the said highway bridge.

Dated this 25th day of April, 1923.

W. H. SUTHERLAND,
Minister of Public Works,
n1316 Province of British Columbia.

LAND ACT

Hazelton Land District. District of Coast, Range 5

TAKE notice that I, Jean Louis Chretien, of Terrace, B.C., occupation Farmer, intend to apply for permission to purchase the following described lands:

Commencing at a post planted 40 chains west of the North-east corner of Lot 370, and at the south end of an Island in the Skeena River; thence following shore of the Skeena River, Northerly 30 chains, Easterly 10 chains, Southerly and Westerly to the point of commencement, excepting therefrom gravel bars covered by high water, and containing 25 acres more or less.

JEAN LOUIS CHRETIEN
Date March 17th, 1924. 715

Usk

Skeena's Industrial Centre

J. and Mrs. Dye, with their family arrived in Usk as permanent residents.

J. Darby took a trip to the Dardenelles Group, on Copper River, with the owners last Saturday.

J. Edwards, of Hanall, was a visitor on Sunday.

Jack Burns, Pacific, paid the town a visit last week. He says Legate Creek properties are due for extensive development this season.

P. Anderson, chief road foreman of the district, was in Usk on Friday, investigating the ferry. The delay in getting it in has retarded important work on the opposite side of the river.

Tom Snell has commenced his cedar pole operations at the mouth of Chiminess Creek, on the east side of the Skeena, two miles above Usk. He had to raft his teams, supplies and outfit on several logs, on account of the ferry being hung up. The last load to cross came near to mishap, the swift current carrying the flotilla down to Kibby's, two miles below its objective, where with extreme hard labor and skill the raft was spudded. Afterwards, to get the supplies to camp, a roadway had to be constructed.

Miss Irene Durham has some credit due, being not only the presiding genius in the tennis tournaments, but is renovating the erstwhile Durham pool room into an ice cream parlor, for the delectation of the overstrenuous votaries of the court and sundry others.

Woodcock

Miss Helen McRae, of the Prince Rupert hospital is spending her holidays with Miss Helen Brown.

Mrs. W.C. Little and daughter, Nesta, accompanied by her sister, Mrs. Worsley and daughter, Maxine, were visitors in Hazelton over the week-end.

A wedding of interest to those in Woodcock took place in Prince Rupert on Monday, when Miss Irene Doll and Samuel Elliott were united in marriage by the Rev. Dr. Grant. Mr. and Mrs. Elliott plan to settle in the community and add their efforts towards the developing of the farming industry.

The fine spring weather of the last two weeks has been ideal for the seeding that has been general on all farms in the valley. Now that it is nearly over a good rain would be very welcome and beneficial. It has been the aim of every farmer in this district this season to increase the area under cultivation which has meant much land clearing. Greater space is to be given to silo and root crops not forgetting the hay and good pasture fields. It looks as though there would be feed aplenty for the increasing dairy herds.

Leon Doll left on Wednesday night for Didsbury, Alberta. He expects to return to Woodcock in a few months after disposing of his interests on the prairie.

Forestdale

Mrs. James Baron expects to sail about the 15th for England, and will take in the British Empire Exhibition at Wembley Park while there.

Dave Sturgeon and family have moved to their former homestead near Old Woman Lake.

Wm. Brown is back on his homestead and intends to rebuild in the near future.

Fred. Horning made a business trip to Smithers last week.

M. F. Buck was on the sick list for a few days.

Tie Inspector H. F. Rathrane has been busy billing out ties. There will be 75 carloads to leave Forestdale.

Bobbie Clarke, jr., had the misfortune to fall from a rolling disc harrow driven by Robert, sr. A sprained ankle and a few bruises was the result.

Eli Severson has built a new hay barn, making a total of four on his place, each 30 x 40 feet.

Chas. Mould has taken up land in the Crow Creek district and has moved his family from Rose Lake to his new property.

D.D. Munro, of the L.S.B., who spent a few days in Terrace, returned to Smithers Wednesday.

J. deFerris, inspector for the Liquor Control Board, visited Terrace officially last week.

BRITISH COLUMBIA

THE MINERAL PROVINCE OF WESTERN CANADA

HAS PRODUCED MINERALS VALUED AS FOLLOWS:—

Placer Gold	\$ 76,962,203
Lode Gold	113,352,655
Silver	63,542,655
Lead	58,132,661
Copper	179,046,508
Zinc	27,904,756
Coal and Coke	250,968,113
Building Stone, Brick, Cement, etc.	39,415,234
Miscellaneous Minerals	1,408,257
Making mineral production to the end of 1923 show	
AN AGGREGATE VALUE OF	\$810,722,782

The substantial progress of the mining industry in this province is strikingly illustrated in the following figures, which show the value of production for successive 5-year periods:

For all years to 1895, inclusive	\$ 94,547,241
For five years, 1896-1900	57,605,967
For five years, 1901-1905	96,507,968
For five years, 1906-1910	125,534,474
For five years, 1911-1915	142,072,603
For five years, 1916-1920	189,922,725
For the year 1921	28,066,641
For the year 1922	35,158,843
For the year 1923	\$41,804,320

PRODUCTION DURING LAST TEN YEARS, \$350,288,862

Lode-mining has only been in progress about 25 years, and not 20 per cent. of the Province has been even prospected; 300,000 square miles of unexplored mineral bearing lands are open for prospecting.

The mining laws of this Province are more liberal and the fees lower than any other province in the Dominion, or any Colony in the British Empire.

Mineral locations are granted to discoverers for nominal fees. Absolute titles are obtained by developing such properties, security of which is guaranteed by crown grants.

Full information, together with mining reports and maps, may be obtained gratis by addressing

Mrs. Joe Hudson, Vanarsdol, was a visitor in Terrace last Saturday.

Chas. R. Gilbert was a passenger to Prince George last Monday night, returning to Terrace on Saturday night.

A. Philpott, of Prince Rupert, was a visitor in Terrace last week.

W. Blackstock, of the government telegraph service was in Terrace on Saturday.

Mrs. Jack Viger, who was in Prince Rupert for a few days returned home on Thursday.

J. O. Meben, representing the Martin-Senour Paint Co., of Vancouver, was a business visitor in Terrace on Saturday and established an agency with Agar & Brooks, of the Terrace Hardware.

The sewing class inaugurated by Mrs. J. Thomasson some weeks ago concluded their course on Tuesday of last week. The members entertained Mrs. Thomasson to an afternoon tea. The ladies have enjoyed their several meetings from an instructive and social standpoint.

Local grown rhubarb, green onions, lettuce, radishes and horse radish are on sale. Why buy from California? Give Terrace products a chance.

Bruce Johnstone returned to Prince Rupert on Monday after spending two weeks at Lakelse.

C. H. Orme, J. McLeod and J. Scott, of Prince Rupert, enjoyed a week-end fishing trip at Lakelse, arriving in Terrace Saturday night and returning to Prince Rupert on Monday.

Mrs. Douglas Sutherland, of Prince Rupert, arrived in Terrace on Saturday last, returning to Prince Rupert on Monday.

Geo. Little has arrived home after a four-months visit in Honolulu and the Fiji Islands.

Mrs. Danhauer, Copper City, was a Terrace visitor early in the week.

The Presbyterian Guild met this week at the home of Mrs. Fowler. Next week's meeting will be held in the Presbyterian church, Mrs. W. E. Smith will be the hostess.

The Fall Fair meeting was held in Gordon's Hotel on Tuesday and was very well attended. The next meeting will be held June 13.

Mrs. E. J. France was a visitor in Rupert on Monday.

D. C. Scott, of Vancouver, was a Terrace visitor last Monday.

Mr. and Mrs. Geo. Wilson, and baby, of Prince Rupert, arrived in Terrace last Saturday. Mrs. Wilson and child are the guests at Hill Farm, while Mr. Wilson returned the next day.

Mrs. Morse Hatt entertained at an afternoon tea on Wednesday in honor of Mrs. Floyd Hatt, of Smithers. Mrs. Otto VonHees assisted at the tea table.

Robert Christie left Terrace on Saturday for Prince Rupert en route to Vancouver, where he will spend the summer.

The Presbyterian Guild met at the home of Mrs. R. Riley on Thursday last. The next meeting will be held at the home of Mrs. Fowler.

R. E. Allen, of Hanall, was a Terrace visitor on Thursday of last week.

Prize Dahlia tubers, at reasonable prices, all ready to plant. Lanfear & French, Hill Farm. 4

The Altar Society of the Catholic Church met on Thursday of last week at the home of Mrs. Geo. Hipp. There was a good attendance and plans were made for a strawberry festival in strawberry time.

P-T.A. Held Auction

The monthly meeting of the Parent-Teacher Association was held on Thursday evening of last week in the G. W. V. A. hall, President Sherwood in the chair. There was some discussion regarding the general business of the meeting, and two appeals for help were read, one for the children of Europe and one from the Sunshine and Fresh Air Club of Vancouver. The feature of the evening was an auction sale which was proposed by W. Burnett several meetings ago and it was a great success. F. C. Bishop was auctioneer and Mr. Burnett was clerk. The total receipt were \$24.30.

Successful Dance

The Terrace Fall Fair Association held a dance on May 9 in the G.W.V.A. Hall and was pronounced to be one of the best. The orchestra consisting of Mrs. Attwood, E. Roberts, L. H. Kenney and Mr. Murrin furnished excellent music. The committee in charge spared no work to make the dance a success. Refreshments were served at midnight and after being fortified by an excellent lunch the dancers were ready to continue until an early hour. The Fall Fair Board wish to thank all who lent their patronage and helped to make the dance a success. The Association needs the money and as it will all be returned to the community in prizes at the fair it surely is worth while to help it. The board will stage another dance in the near future.

Terrace

Born—To Mr. and Mrs. Gordon Nelson, at Terrace, on May 7, a daughter.

The Willing Workers met on Saturday afternoon for their regular meeting and choir practice. After the meeting Rev. and Mrs. Parsons took the Club girls for a motor trip and also provided a dainty supper which all enjoyed at Rev. Parson's ranch on the Bench.

Stanley Brooks, of the Bank of Montreal staff, Prince Rupert, is on his vacation, at the home of his parents here.

Joe Belway and Matt Allard, of Kalum Lake, arrived last week and brought in a fair catch of good furs. The former says the Kalum road is in good shape all the way to the lake.

Major Taylor and P.W. Anderson, of the public works department, were recent visitors here.

A. Y. Wilson, of Remo, and Fred Hall have freighted their boat and engine by truck to Kalum Lake. This motor boat will be used in patrolling the limits of the Remo Lumber Co.

The local poultry association held a meeting on Monday night of last week. The election of officers was deferred until a later date. H. Halliwell was appointed secretary, protem. It was reported at the meeting that F. W. Laing, of the department of agriculture, would be in Terrace shortly to deliver a lecture on poultry raising. It is the aim of the association to perfect the breeding stock and thoroughly co-operate to find a market for eggs and birds.

A certain bachelor of Terrace locality left for Prince Rupert on Wednesday with the intention of meeting a lassie from Scotland and being joined in wedlock.

Donald Bruce made a business trip to Prince Rupert on Wednesday and remained for a few days visiting relatives.

Mrs. Floyd Hatt, of Smithers, who visited a few days in town as the guest of Mr. and Mrs. Morse Hatt, left on Thursday for Vancouver and Seattle, where she will spend the next three months holidaying.

Mrs. Jack Viger was a visitor to Prince Rupert on Wednesday and remained in the city for a few days.

Dunc. McGibbon, who returned to Terrace from Dome mountain, left for Prince Rupert on Wednesday.

Work on the superstructure of the steel bridge across the Skeena started this week, the steel having arrived. The rigging contract for the steel has been let to E. E. Davis, of Vancouver. The foreman and a few men arrived last week. The bridge will not be ready for use until fall.

W. G. Patrick, of Vancouver, was a visitor here last week.

Peter Bacon, registered from Vancouver, was a caller in Terrace on Tuesday of last week.

W. Thompson, of Seattle, was a business visitor here last week.

C. H. Sawle, of the Terrace News, has offered \$5 to be given to the school children. This will be competed for before the close of school on the decision of the teachers in charge.

Hospital Subject of Addresses at Church Services

Special Hospital Day services were held in the local churches last Sunday. In the morning Dr. H. C. Winch preached in the New Hazelton church, on the subject of man's dependence. No man, he asserted, could truthfully boast of independence if he stopped to consider what he had inherited in the way of race, nationality and body, nor could any man claim to have hoed his own row when he considered the help which had been given him in infancy and later by his parents, teachers and elders. Therefore, the doctor maintained that he who refused to give to a hospital except to pay his own way when sick was denying his debt to others for what others had done for him. This type, fortunately, was only infrequently found, and did not embrace all who turned down an institution's call for aid.

In St. Peter's Church, Hazelton, Rev. T. D. Proctor addressed the congregation in the morning on the hospital subject, and Miss I. Smith sang "The Angel's Ladder". At the evening union service the duet, "Speed Thee," was sung by Miss Smith and Miss Gibson.

The offering at all services was devoted to the hospital, and in Hazelton amounted to \$39.50.

Hospital Day

(continued from page 1)

ment and of distinct entity under its own minister, and entirely divorced from politics. He urged very close government supervision of hospitals whereby the most efficient system of financing them could be evolved, and, further, he presented a plan that would place a tax on all persons within a described hospital district, a tax, he said, which people would be glad to pay while in health that they might receive its benefits when sick. This would be much better than the present financing method.

Alternating with the speeches were musical numbers. Mrs. Dungate was heard in a piano solo, and Mrs. A. E. Falconer and Harold Matthews rendered effective vocal solos. Mrs. Chappell accompanied. Following the concert the short sketch, "Documentary Evidence," was staged. The caste included Miss G. McDonald, Mrs. A. L. Fakelev and A. A. Cannon, who presented the farcical situations of the plot in a manner that was most pleasing.

The informal dance which followed the program was attended by a great many and was thoroughly enjoyed.

OVERHEARD AROUND NEW HAZELTON

A. R. McDonnell arrived home on Friday morning of last week after spending the winter in the south.

J. D. McIntosh, one of the old-timers who has been away for a number of years, has been revisiting the district recently.

Wm. Sweeney blew into town on Thursday morning to look after some business matters. Bill spent last fall and winter on Dome mountain. He is one of the originals of this district and the old-timers are always glad to see him around.

James Turnbull has been appointed returning officer for Skeena riding.

All the Smithers and Telkwa delegates motored down Thursday for the Liberal convention.

R. F. McNaughton, district passenger agent, Canadian National Railways, spent a day or two in town to see what was offering in the way of accommodation. The district is very attractive. There is nothing to be desired except sleeping and eating accommodation, and a great business awaits the party or parties who supply these.

Mike George is now getting poles and piling hauled to the depot and is beginning to realize on his winter's work.

Austin Goodenough, chief inspector for the Hanson Pole Co., went to Phelan on Monday to load the first cedar from that new loading point. The cedar cut on the coast and around the mouth of the Skeena will be taken by raft to Phelan and there loaded on the cars.

The provincial election will be held on Friday, June 20, with nomination day on May 30.

Beginning on Sunday next the summer schedule on the Canadian National will go into effect. After that date the train from Prince Rupert will arrive at Terrace at 9.06 p.m. and at New Hazelton at 1.33 a.m. This is nearly two hours earlier than at present.

Sidelights on a Great Industry

One Man in Every Four a Lumberman

Over 40,000 Engaged in Different Branches of B.C. Wood Industries

Workers and Their Dependents Out-number the Inhabitants of Vancouver City

One man in every four in British Columbia is exclusively engaged in some actual process of logging, manufacturing or selling B.C. wood products, according to figures based on official industrial estimates.

In other words, if a lumberman is a man who makes his living out of the produce of a log, then no less than twenty-five per cent of the entire male working population of British Columbia comes under that category.

Orders may be left at Falconer's Office

J. H. Benson
Hazelton, B.C.

There are between 40,000 and 41,000 men employed by the 3,620 concerns handling B.C. wood either in its raw state or one of its numerous manufactured forms.

Four Groups Engaged

This army of workers may be classified as follows: 19,100 in the logging industries, 16,800 in the plants converting forest products, 2,200 in selling either the unmanufactured or finished material and 2,300 solely occupied in its transportation to the ship's side or the freight car.

Taking at least one-third of this great group of workers to be married men with wives and families, one comes to realize what a large proportion of the manhood, womanhood and childhood of the province look to the timber industries of B.C. for a livelihood. It is quite reasonable to estimate that the wage-earners of the timber industries and their dependents comprise one-fourth of the entire population of the province, and so actually outnumber the inhabitants of the city of Vancouver.

This series of articles communicated by the Timber Industries Council of British Columbia

O. T. Brown, of Kalum Lake, left on Thursday of last week en route to Los Angeles and Seattle in the interests of local mines.

For Your Protection

There is an established cash price for all Ford products, which price is fixed by the Ford Motor Company of Canada, Limited.

In co-operation with the Traders Finance Corporation the Ford Motor Company of Canada, Limited has also established a fixed price to be paid if a purchaser wishes to purchase on the deferred payment plan.

The purpose in establishing this definite time price is to protect the buyer against excessive charges.

The charge authorized by the Ford Motor Company of Canada, Limited and charged by the Traders Finance Corporation is absolutely fair to every purchaser who buys Ford products on deferred payments.

This deferred payment plan is a simple business arrangement devised for your convenience—by means of which with a small down payment you may drive your car—paying the balance in small monthly instalments. These rates are as follows:

	Down Payment	Monthly Instalments
Touring.....		\$32.66
Touring [Starter]	APPLY	37.08
Runabout.....		30.09
Runabout [Starter]	FORD	35.75

HAZELTON NOTES

Protect your interests and create an estate. See Wm. Grant's Agency.

Mrs. Fakeley, Mrs. Chappell and Mrs. R. S. Sargent were hostesses on Friday evening last week at a bridge party given in honor of Miss Watkins. The affair was held at the home of Mrs. Sargent. There were eight tables of bridge and the prizes were won by Mrs. Walton Sharpe and Miss Smith; while W. S. Harris and J. D. Galloway won the men's prizes. The affair was a most enjoyable one.

Agent for B.C. Nurseries. Not too late for May delivery. Wm. Grant's Agency. 41

Henry Bretzins returned Friday morning after being absent in the south since last spring.

Miss Horbury returned home on Sunday morning from the south, where she spent the past month or so. She is feeling very much better.

R. H. Cairns, inspector of Indian schools, spent a few days in town and district this week.

Seeding, planting and general farming is in full blast, and both men and women are at work. The aim is to make this the biggest year in the history of the district.

One of the cars that came down from Smithers on Monday last hesitated at Moricetown due to speeding over a fairly rough road. Tony, of Falconer's garage, went out and made the necessary repairs.

The weather man has repented his previous cold attitude and during the early part of the week the thermometer registered well up in the eighties. Numerous bush fires were reported from both east and west, but the present cooler weather will aid in the controlling of these.

Ladies Give Tea

The Hazelton Hospital Women's Auxiliary gave a tea in the Union church on Wednesday afternoon in honor of Miss Watkins and it was a great success. Many people from the town and district were there and wished Miss Watkins all success in future. The ladies took occasion to present Miss Watkins with an address and a pair of bracelets. Mrs. Chappell, president of the Auxiliary, made the presentation, and Mrs. Fakeley, secretary, read the address. Miss Watkins replied in a very effective manner.

Hon. A. M. Manson
(Continued from page 1)

had been passed by the Oliver government. He dealt with the public debt and quoted figures to show that instead of the total being \$71,000,000, it was really \$88,000,000.

Hon. Mr. Manson predicted that the Oliver government would be returned to power with a larger majority than it had last time.
